Plumbing Inspection System

- PAB-28 -

- PBB-28 -

- PCB-28 -

- PDB-28 -

Image Always Upright
(Self-Leveling)

Push Cable Length

PAB-28 (Type A)	3m / 5m / 10m
PBB-28 (Type B)	10m / 20m / 30m
PCB-28 (Type C)	20m / 30m / 50m
PDB-28 (Type D)	50m / 80m / 100m

Feature

Camera

Image Sensor	CMOS Image Sensor
Resolution (Dynamic/Static)	640X480
Video Output Format	NTSC & PAL (selectable)
Image Controls	Zoom, Reflecting, Rotating
Field of View (FOV)	100°
Depth of View (DOF)	5cm ~ 60cm
Camera Diameter	28mm
Insert Tube	Rugged stainless steel camera head with durable rubber and reinforced spring
Light Source	12 leds (adjustable illumination)
Image always upright design (self-leveling)	
Waterproof	IP67

Reel

Push Cable	Fiberglass (inner core)+PU coating
Cable Diameter	4.5mm
Reel Diameter	31cm (Type A / Type B) 39cm (Type C / Type D)
Probe Length	3m ~ 100m
Built-in Counter	Optional
